Grow your customer base

Connect with apps, services, and additional Clover hardware — like Clover Mini or Flex — to build the perfect POS system for your business.

- Accept card payments at the counter with the integrated card reader and swiper.
- Use the virtual terminal to simplify payments for phone orders.
- **Combine with Clover Flex** to take orders and payments tableside, increasing mobility and efficiency.
- Access real-time reporting, inventory tracking, and promotions through the Clover Dashboard.
- Manage employee schedules, permissions, and register activity with powerful admin tools.
- Integrate the Clover Station Solo with best-in-class apps and services to customize the system to fit your needs.
