

MX INVOICE

Integrated invoicing that's
efficient and effortless

MX Invoice, an add-on to your MX Merchant account, simplifies billing and makes invoicing easy, accurate, and automatic.

With electronic
invoicing, bill
delivery is:

- *Faster*
- *Cheaper*
- *More secure*
- *Easier for your customers*

- Accept credit card payments directly from invoices to simplify and speed up the collection of funds.
- Track invoice history and outstanding balances easily, as payment status updates automatically when funds are received.
- Create customer profiles for recurring billing.
- Customize your invoice layout to reflect your brand by adding your logo, a header message, and an optional return policy.
