

SwipeSimple VIRTUAL TERMINAL

Fast, simple payments
right from your computer

With just a computer
and web browser, the
SwipeSimple Virtual Terminal
lets you process transactions,
manage invoices, and more.

Process payments
right from your
computer

**No extra
equipment
needed!**

- Offer installment plans, schedule future payments, and automate recurring billing for your customers.
- Send and receive invoices by email and save cards on file for easy billing.
- Access cloud-based inventory management, item-tracking, and real-time transaction history.
- Every SwipeSimple account includes access to the SwipeSimple Dashboard, a powerful suite of business tools you can use on any computer or mobile device.
