

MX SALON POS

A POS system built specifically
for the health and beauty industry

MX Salon is a full-featured, all-in-one POS platform that streamlines management, improves efficiency, and helps health and beauty professionals reach their full potential.

MX Salon POS is perfect for:

Hair Salons - Barber Shops
Estheticians - Nail Technicians
Tattoo Shops - Tanning Salons
Spas - Massage Therapists

Key Features:

Appointment Scheduling
Customer Profiles
Specialist Availability Tracking
Multi-Station Support
Inventory Tracking and Management
Customizable Service Catalog
Flexible Customer Payment Options
Staff Management

- MX POS offers extensive customization and access to over 600 features, allowing you to build a workflow that perfectly fits your business.
- Advanced management tools let you monitor multiple locations, integrate with accounting systems, and manage key HR functions.
- In-depth analytics provide detailed insights into sales, purchases, inventory, purchase order status, and overall business performance.
- The MX POS system comes equipped with a touch-enabled widescreen monitor and offers an optional customer-facing display. Additional hardware options include kitchen display systems, mobile terminals, barcode scanners, and scales.
