

CLOVER MINI

A complete POS
in one compact package

The Clover Mini delivers
the power of a full POS
and all-in-one business
management system in a
sleek, space-saving design.

Use Clover Mini as a
standalone POS or

Pair it with other Clover devices
to build the ideal setup for
your business.

- Whether you need a simple solution or a robust operations hub, Mini adjusts to your workflow and grows with your business.
- Built-in inventory, reporting, employee management, and customer analytics help you run more efficiently and make better decisions.
- **Combine Mini with Clover Flex** to take orders and payments tableside, increasing mobility and streamlining service.
- Add barcode scanners, kitchen printers, or scales to create a POS system tailored to your business needs.
