

DONATE NOW

Donation acceptance and processing made easy

The Donate Now Virtual Terminal allows nonprofits to initiate online fundraising programs quickly and easily by accepting one-time and recurring donations, event registrations and membership dues.

- Includes a merchant account, customer support, 24/7 reporting and easy integration — everything needed to process donations.
- A customizable donation page links directly from the organization's website to the donation portal.
- Donors can elect to send gifts on an individual, weekly, monthly, quarterly or annual basis.
- The online donation portal reduces the need for solicitation mailing and phone calls.
- Donations can be made easily online and payment can be made using a credit card or checking account.
