

CLOVER FLEX

Take the power of your POS
beyond the counter

Flex is the most full-featured mobile option in the Clover ecosystem. It's a powerful POS, payment terminal, and business management system—right in the palm of your hand.

Supports a variety of payment methods, including:

Chip

Contactless

Swipe

Digital wallets like Apple Pay, Google Pay, and Samsung Pay

- Use Flex as a standalone POS and business management tool or seamlessly connect it with other Clover devices.
- Take orders, track inventory, accept payments, and print, email, or text receipts — all from a single device.
- Wi-Fi and LTE connectivity let you do business wherever it happens—at the counter, tableside, or on the go.
- **Combine the Flex with the Clover Dining app and other Clover devices** to create the ultimate restaurant management platform, streamlining table management, order-taking, and payments.
