

CLOVER STATION DUO

A powerful POS system
for both sides of the counter

Clover Station Duo is a user-friendly, all-in-one POS for both merchants and customers—ready to go right out of the box.

Dual screens, one for each side of the counter, create a smooth checkout experience that keeps you in control while customers verify orders and initiate payments.

Clover Station Duo Includes:

14" HD merchant touchscreen

8" customer touchscreen

High-speed thermal receipt printer

Secure cash drawer

- Fast, reliable order-taking and payment processing make Clover Station Duo ideal for retail and hospitality environments.
- Accept magstripe, chip, or contactless cards, including digital wallets like Apple Pay.
- **Combine with Clover Flex** to take orders and payments tableside, increasing mobility and efficiency.
- Access real-time reporting, inventory tracking, and promotions through the Clover Dashboard.
- Manage employee schedules, permissions, and register activity with powerful admin tools.
- Customize your system by integrating Clover Station Duo with best-in-class apps and services.
