

NUVEI PAY CENTER

Fast, cost-effective, and
built to simplify payments

Nuvei Pay Center is a robust, contactless payment platform that helps businesses accept payments easily and efficiently across multiple channels.

A variety of payment and invoicing options make transactions simple for you and convenient for your customers.

- **Features Include:**
 - **Smart Invoicing:** Create custom invoices and schedule payments in a single step, with automatic discounts, fees, and sales tax applied.
 - **Payment Requests:** Easily request payments via text or email and receive funds quickly.
 - **Payment Links:** Create and share payment links, “Buy Now” buttons, and QR codes to sell products or services online.
 - **Recurring and Automatic Payments:** Set up scheduled billing with custom payment frequencies and cycles.
 - **Hosted Payments:** Enable secure, fast credit card payments on your website.
 - **Virtual Terminal:** Process card-not-present transactions from anywhere.
 - **API Integration:** Onboard new merchant accounts, send payment requests, and generate payment links through a single, easy-to-use API.
