

PAYA CONNECT

A full suite of customizable back-office
and payment management tools

Paya Connect is an all-in-one virtual payment solution that provides a single, secure platform for all your payment acceptance needs.

Paya Connect allows customers to choose the payment method that works best for them:

Credit and debit cards

ACH and EFT
(with optional guarantee)

FSA acceptance
(for out-of-pocket health care costs)

- Easily process transactions no matter how your customers choose to pay — over the phone, in-person, or online.
- Set up automatic recurring payments for repeat customers.
- Email electronic invoices that include a direct link for easy online payment.
- Optional EMV reader for in-person transactions.
- Manage and process activity from multiple locations through one centralized dashboard.
- The Paya Vault securely stores customer card data, account information, and transaction history.
