

CLOVER KIOSK

Quick and simple self-ordering
for a better customer experience

**Clover Kiosk is an
all-in-one self-ordering
solution with a 24" display,
a versatile payment terminal,
and a built-in printer.**

**Self-ordering,
OPTIMIZED**

Maximize efficiency

Free up staff to focus on higher-value tasks instead of taking orders.

Improve the customer experience

Customers can browse the menu at their own pace and customize orders to their preferences.

Increase average ticket size

Boost revenue by presenting cross-sell and upsell options during the ordering process.

- Place Clover Kiosk on your countertop or pair it with an optional floor stand or wall mount to maximize your space.
- A user-friendly interface speeds up ordering, improves accuracy, and reduces the risk of employee errors.
- Orders are sent to your kitchen printer or appear on the optional Clover Kitchen Display System, just like orders placed at the counter.
- Clover Kiosk integrates with other Clover devices, automatically syncing your menu, items, and prices from the Clover POS system.
- Customers can swipe, insert, or tap their cards, or pay with digital wallets like Apple Pay and Google Pay.
